

# Declaration of performance No. LE-12057/8

1. **Identification code of product** JGRA-12057
2. **Code for identification of product in accordance with CPR Construction Products Regulation article 11 para. 4**  
Jura Limestone blue grey JGRA-12057  
Limestone  
Grey / Blue  
Treuchtlingen-Dietfurt, Kaldorf, Germany
3. **Intended use of product as per harmonized technical specification**  
Tiles of natural stone for floor, stairs, wall cladding for interior application EN 12057
4. **Trade name and address of manufacturer**  
Trade name Jura Limestone blue grey  
Address: FRANKEN-SCHOTTER GmbH & Co. KG  
Hungerbachtal 1  
D-91757 Treuchtlingen-Dietfurt
5. **Name and address of authorized and commissioned person as per BauPVO article 12 para. 2**  
not relevant
6. **System to evaluate and test the reliability of performance of the product**  
System 4
7. **The notified institution of product control certification**  
TÜV Rheinland LGA Products GmbH identification no. 0780, performed the essential characteristics by product control and issued the certificate.
8. **Name and code number of the technical office in case of a declaration of performance concerning a product evaluated by a european technical office**  
not relevant
9. **Essential characteristics**

Essential characteristics	Performance	Harmonised techn. specification
reaction to fire	class A1	Without test (see 96/603/EG)
flexural strength	LEV = 10,2 MPa MV = 13,5 MPa S = 1,6	EN 12057:  2015
density	2570 kg/m <sup>3</sup>	
abrasion [cm <sup>3</sup> /50cm <sup>2</sup> ]	UEV = 16,0	
slip resistance [SRV]	wet / dry [MV]:	
honed C`220 / 7	35 / 45	
polished	5 / 35	
castellina	30 / 50	
piemont	25 / 45	
toscana	45 / 50	
venezia	45 / 50	
bordeaux	25 / 45	
provence	25 / 45	
sarena	65 / 65	
crema	35 / 45	
honed + brushed	25 / 45	
sandblasted + brushed	45 / 50	

10. **The performance of the product according to no. 1 and no. 2 corresponds to the declared performance in accordance with no. 9. Responsible for the declaration of performance is solely the producer according to no. 4 Signed for on behalf of the producer and in the name of the producer**

91757 Treuchtlingen-Dietfurt, 01.12.2016

place and date of issue

signed

**Identification code of the notified testing center**  
0780

**Name and address of the producer**  
FRANKEN-SCHOTTER GmbH & Co. KG  
Hungerbachtal 1  
D-91757 Treuchtlingen-Dietfurt

**Last two digits of the year in which the evaluation was first issued**  
13

**Reference no. of the declaration of performance**  
LE-12057/8

**No. of the harmonized technical specification**  
EN 12057

**Intended use of the building product**  
Tiles of natural stone for floor, stairs, wall cladding for interior application

**Identification code of the product results**  
JGRA-12057

**Classification of the declared performance:**

<b>reaction to fire</b>	class A1
<b>flexural strength</b>	LEV = 10,2 MPa MV = 13,5 MPa S = 1,6
<b>density</b>	2570 kg/m <sup>3</sup>
<b>abrasion [cm<sup>3</sup>/50cm<sup>2</sup>]</b>	UEV = 16,0
<b>slip resistance [SRV]</b>	wet / dry [MV]:
honed C`220 / 7	35 / 45
polished	5 / 35
castellina	30 / 50
piemont	25 / 45
toscana	45 / 50
venezia	45 / 50
bordeaux	25 / 45
provence	25 / 45
sarena	65 / 65
crema	35 / 45
honed + brushed	25 / 45
sandblasted + brushed	45 / 50
